Dial In: +1 (646) 307-1720 / Access Code: 339-484-763 / Webinar ID: 921-685-737

Purpose:

- Introduce the Behavioral Health Integration Project (BHIP), recently funded by a federal grant, which will integrate behavioral health services into Illinois' health information exchange and accelerate progress toward using health information exchange to achieve better health care
- Provide an overview of health information exchange and present information on the legal environment to facilitate consumer health information exchange among providers of behavioral health and medical services
- Offer the opportunity to provide public comment and to hear invited testimony on consumer confidentiality and data exchange in Illinois. *(The public comment period generally allows for up to three minutes of testimony per person.)*

Attendance: Behavioral health agencies are encouraged to attend this meeting to learn about and participate in shaping the progress of health information exchange in Illinois. Please note that space is limited. We encourage agencies to have not more than two critical staff members attend in person and others attend via webinar. This meeting seeks to address CEOs/executive directors, CIOs/CTOs and/or clinical/administrative directors.

RSVP: Please RSVP [HERE](#). Be sure to include the attendee name, title, and organization. You can add your email and address in the 'Comment' section. *Please note that an attendee survey will be emailed upon receiving your RSVP.*

For More Information: Please contact Dia Cirillo at Dia.Cirillo@Illinois.gov or (312) 814-1600.

Funding for this conference was made possible by grant number 1UR1SMO60319-01, -02 and supplemental grant number 3UR1SMO60319-02S1 from SAMHSA/HRSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
